

NAS-8521C

Audio Intercom Panel

- Built-in Recording Output
- High Security
- 2-Channel Alarm Input And Output
- Daisy-chain

MAIN FEATURES

▲ Audio and Communication

- Built-in Speaker and Microphone: Incorporates a 3W speaker and microphone capsule for receiving broadcasts and facilitating hands-free calls.

▲ Call Buttons

- Dual Call Buttons: Features two call buttons for emergency assistance and general service requests.

▲ Design and Installation

- Versatile Installation: Designed for both concealed and visible installation options.
- Robust Construction: Constructed with a full-metal casing and corrosion-resistant aluminum brushed panel.
- Safety Features: Includes anti-stab protection and a tamper alarm function.
- Protection Rating: Boasts an IP54 protection rating for enhanced durability in various environments.

▲ Call Functionality

- Instant Call Initiation: Press the CALL button on the panel to initiate a call, with the server determining the call target.
- Full-Duplex Communication: Supports full-duplex communication for seamless interaction.

▲ Customization Options

- Call Ringtone Function: Allows customization of call connection, busy signal, and hang-up tones according to preferences.

SPECIFICATION

POWER PARAMETERS

Power Input	Powered By Intercom Host NAS-8521A
-------------	------------------------------------

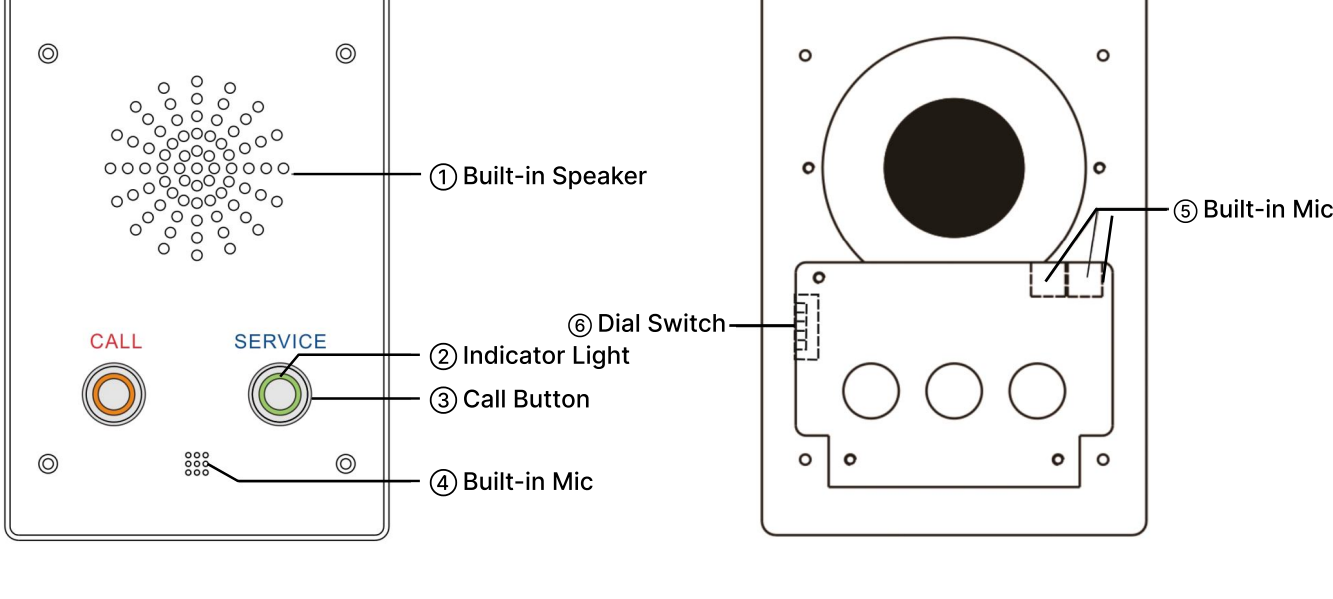

MECHANICAL & ENVIRONMENTAL PROPERTIES

Mounting Method	Surface Mount
Installation Environment	Dry Indoor Locations
Product Color	Silver
Shell Material	Aluminum
Product Dimensions (Mm)	115×166×32mm
Product Weight	0.8Kg
Warranty	2 Years

ACCESSORIES

4×Plastic Expansion Sleeve
4×Semi-Circular Head Self-Tapping Screws (M425)
1 Theft-Proof Hexagonal Wrench
5×Hexagonal Screw (M38, 304)
1×Plug (16*7.5)
1×Operation Instruction Card
1×Plug (SPSI-08)
1×Plug (SPSI-09)
1×Quick Installation Guide
1×Certification Card
